## **Ostrobogulous Cumulative results**

**Lugger Summer Series 2018** 

Published just for interrest, a bit if fun and discussion! Not to be used for deciding series winner.

Designed to promote race attendance and to close the scoring gap between competitors.

Two main differences - 1) No discards, 2) Rank order is determined by the cometitor with the most points.

**Scoring:** 1 Point for participating in race.

1 Point for each competitor that you beat, who started the race with a score greater or equal to yours, less a Predetermined No:

Series winner - competitor that has achieved the most points.

Pos = Race possition. Pts = Points gained on race. Cu = Cumulative score to date. Thr = Threshold of points above which you gain points.
