

Ostrobogulous Cumulative results

Lugger Summer Series 2018

Published just for interest, a bit of fun and discussion! **Not to be used for deciding series winner.**

Scoring system developed by Bryan Willis from Queen Mary SC in durring 1982.

Designed to promote race attendance and to close the scoring gap between competitors.

Two main differences - 1) No discards, 2) Rank order is determined by the cometitor with the most points.

Scoring: 1 Point for participating in race.

1 Point for each competitor that you beat, who started the race with a score greater or equal to yours, less: **2**

Series winner - competitor that has achieved the most points.

Pos = Race possition. Pts = Points gained on race. Cu = Cumulative score to date.
